History of Religion in North America

Is America a Christian country?

**How were the Mormon faith,
the Nation of Islam, Scientology,
and other new religions
made in the USA?**

**If the Founding Fathers meant
for church and state to be
separate, why are American
politics so full of religion?**

**What explains the intensity and
variety of religion here compared
to Canada and Europe?**

**What does theology have to do
with real life?**

***Come learn the answers to
these questions and more in this
introduction to religion in the United
States and Canada from the colonial
era to the present day.***
